Measurements:

- Thick Basic White: 8-1/2" x 5-1/2"

Instructions:

1. Score the Thick Basic White card base at 5-1/2" on the long side.
2. For the size of the "Thank You" greeting from the Ornate Thanks stamp set, I cut my Post-It® Note 1-1/4" x 5". Lay the Post-It® note about 1-1/2" from the top of the card front and anchor the right and left edges with the Washi tape (see picture).
3. Choose one leaf shape and stamp above and below the Post-It note strip in the green ink of your choice and then repeat with the other 3 leaf shapes using different green ink. Remember to stamp the front of your envelope as you use each of the inks.
4. Using the Blending Brush, add Granny Apple Green ink just above and below the edges of the Post-It notes (see first picture above).
5. Remove the Post-It note and stamp the large Thank You greeting in the empty space between your stamped leaves. Add a secondary greeting below the lower set of leaves.
6. Add 5 Opal Rounds randomly on the card front.
7. Add your personalized greeting to the inside of the card; stamp an envelope as desired and give to someone special in your life. Everybody needs a little love in the mailbox!
