Measurements:

- Early Espresso Card Base: 8-1/2" x 5-1/2", 5" x 6", 6 pieces of 3/4" squares
- Cinnamon Cider: 3/8" x 1-5/8" for greeting on front of card
- 2019-21 In Color 6x6 DSP: 4" x 5-1/4" wood pattern, 4-1/4 x 4" polka dot pattern, 3-1/4" x 3-1/2" polka dot pattern; 2-1/4" x 6" cross-hatch pattern
- Very Vanilla: 4" x 5-1/4" for inside of card
- Gold Foil: 1" x 2-3/4"

Instructions:

1. Peel back the top edge of the Foam Adhesive Sheet and place the piece of Gold Foil in the top corner of the Foam Adhesive Sheet. Using the "Chocolate" die cut the Gold Foil layer. Carefully remove from the die and take care in removing the little bits inside the vowels and the "l".
2. Take the 4-1/4" x 4" polka dot pattern DSP and score on 3 sides at 1/2"; adhere the 3-1/4" x 3-1/2" polka dot DSP down to the lower edge of the pocket on the back side (the chocolate layer will slide in and out of the pocket better if this piece allows it to slide in without connecting with the bottom fold from the 4-1/4" x 4" piece. See extra picture on page 2 for this detail.
3. Take the 5" x 6" Early Espresso piece and score at 3" on the long side. Turn this piece so that the right panel is in the top of the paper trimmer and score at 1" and 2"; turn the card stock again and score again at 1" and 2" ONLY down to the 2nd score mark. (see video at Ink and Sparkle Stamping with Sue on FaceBook April 28, 2021 for details)
4. Using Black Dimensionals, adhere one 3/4" Early Espresso square in each of the 1" scored squares.
5. Stamp "A Day Without" on the Cinnamon Cider card stock; trim if necessary.
6. Using Stampin' Seal, adhere the wood pattern DSP to the front of the Early Espresso card base,
7. Remove the liner from the Gold Foil "Chocolate" piece and adhere in the middle of the polka dot pocket. Using Stampin' Seal, adhere the "A Day Without" greeting just above the word Chocolate.

8. Add your Gift Card if using to the inside of the chocolate bar layer using a small amount of adhesive. Using Tear "N Tape and adhere the pocket to the front of the card at an angle.
9. Use Sahara Sand ink to stamp a chocolate bonbon in the right lower and left upper corner of the Very Vanilla layer. Add the outline stamp to the bonbon using Soft Suede ink. Repeat the solid and outline stamps on the front of the envelope.
10. Using Soft Suede ink, stamp the greeting "IS LIKE ... UMMM ..." centered just below the bonbon that's in the top left corner of the Very Vanilla layer. Adhere this layer to the inside of the card.
11. Add adhesive to the top of the envelope flap and add the 2-1/4" x 6" cross-hatch pattern of the DSP. Turn over and, using paper snips, cut away the excess.
12. Add your personalized greeting to the inside of the card and give to someone special in your life. Everybody needs a little love in the mailbox!
