3. Apply Crumb Cake ink to the stamp and stanp onto the card front. Reink and repeat this step if necessary to get a filly stamped image.
4. Die cut the Thick Basic White card stock with the largest skinny stitched rectangle die (retired).
5. Diecut the long scallop of Gold coloured Metallic Specialty Paper using the 3rd largest scalloped rectangle die from the Scalloped Contours dies.

8. Adhere the Thick Basic White layer to the rectangle of In Good Taste (wood pattern) piece using Stampin’ Seal.
