Instructions:

1. If you've already used up all the stickers in the Hand-Penned Memories & More Card Pack, use Memento Black Ink to stamp the greeting of your choice on one of the Basic White blank labels or cut a label shape of your choice to use.
2. Use the Tailored Tag punch to notch out one end of the 1-3/4" x 4" Pale Papaya/white striped card and then cut in half vertically.
3. Adhere the Pale Papaya/white striped layer to the center of a card base with Multipurpose Liquid glue (there will be a gap in the middle of the banner but it will be covered up by the 3" x 4" card with the purple flowers).
4. Wrap the Pool Party ribbon around the 3" x 4" card with the purple flowers about 1" from the bottom of the 3" x 4" card. Add Mini Glue Dots to hold the ribbon in place if desired.
5. Use Stampin' Dimensionals to adhere the panel to the front of the card base.
