- Waves Dies if not purchased in Collection (158840)
- Wink of Stella (141897); Rhinestone Waves Basic Jewels (159396) if not purchased in collection

Measurements:

- Pacific Point Cardstock: 8" x 4-1/4", scored at 1-1/4", 2-1/2", 5-1/2" & 2-3/4" ; 5-1/2 x 1-5/8" for bridge mechanism
- Night of Navy Cardstock: 2 pieces: 1-1/8" x 4-1/8"; 1 piece 4-1/8" x 2-7/8"
- Basic White Cardstock: 3" x 2" for greeting plus scraps for clouds & accent pieces
- Daffodil print from DSP: 4" x 2-3/4", 2 pieces: 1" x 4";
- Blue/white swirl print from DSP: 5-3/8" x 1-1/2 for bridge and 5-1/2" x 2-1/2" for wave
- Night of Navy Foil: 5-1/2" x 2-1/2"

Instructions:

1. Adhere the Daffodil pattern DSP panels to the matching Night of Navy panels. Adhere these panels on the outer panels of the card base and the larger piece in the middle of the card base.
2. Stamp the greeting on the larger piece of Basic White cardstock using Night of Navy Ink and punch out using the Tailored Tag punch.
3. Die cut 2 large and 2 small clouds and matching accent pieces for each from Basic White cardstock. Adhere the accent pieces to the cloud pieces.
4. Adhere one large and one small cloud near the left and right edges of the large Daffodil patterned pieces using Stampin' Seal. Add Stampin' Dimensionals to the back of the Tailored Tag shaped greeting and adhere centered near the top of the Daffodil patterned piece.

INK AND SPARKLE STAMPING

5. Add one large cloud to the right front panel so that only the right edge is adhered. Add the remaining small cloud to the left front panel so that the only left side is adhered.
6. Add the bridge DSP piece to the corresponding bridge cardstock piece using Stampin' Seal.
7. Add only a 1" wide amount of Stampin' Seal to the right and left edge of the back of the bridge cardstock piece. Press one front panel flat and leave the opposite folded. Adhere the bridge cardstock piece to the lower edge, matching the right and left edges of the front panels. (see picture)
8. Die cut the blue Foil wave using the large wave die. Use Liquid Multipurpose Glue to adhere the foil wave to the 5-1/2" x 2-1/2" piece of blue/white swirl print DSP. Use Paper Snips to trim around the outside of the foil wave (see picture).
9. Use Stampin' Seal or Liquid Multipurpose Glue to adhere the wave to the bottom edge of the card front/bridge piece.
10. Add 3 light blue Rhinestone Waves Basic Jewels to the inside of the card and add Wink of Stella as desired to the cloud pieces.
11. Stamp additional images on your envelope front and/or back. Give or mail to someone special in your life.
